DG TAKANO Co., Ltd.

Sector: 12 Fabricated Metal Products and Related Business

DG TAKANO is a solutions company: We use design thinking and Japanese technology to create unique products and help solve societal and environmental challenges on a global scale. Water conservation, in particular, has been one of our key focus areas since 2009. Our Bubble90 water-saving nozzle drastically reduces the water consumption of the biggest consumers, saving 26 mln. m3 of water in 2020 alone. That being said, our core competence is business development. To make our business ideas a reality, we rely on our own unique technology and network of highly specialized SMEs, each of which excels in different tech.

Representative(s)

1- Masaaki Takano | CEO

2- Naydenov Aleksandar | Manager, Global sales & marketing
